We need to start organising the food for the Golden Jubilee celebration lunch. From next weekend there will be lists in the entrance of the church asking for various food donations. To provide the appropriate amount of food we need three people to donate each category of food. We will provide the platter/dish for the food so that we have a standard presentation. The more donations we have the better this very special occasion for the Parish will be.

THANKS to all those who sent me Easter cards and greetings. Thanks also for the Easter offering.
