CORONAVIRUS MESSAGE: As the corona virus is spreading across the country, it makes good sense to take some safety precautions also in our parish community.

Therefore I have taken a decision to withdraw the use of the chalice during Mass. The Holy Communion will be distributed under one kind and I ask you to receive the host on the hand only.

I would like to ask you also to refrain from the physical sign of peace. Instead of reaching across the pews to shake hands, we can greet each other with gentle bows. This will be an appropriate gesture to express our peace and love for each other.

Deacon David and I will refrain also from the shaking of hands when we greet you after Mass at the door.

The holy water stoups have been removed from the porch of the church and Barberi chapel.

At the entrance of the church there are available sanitized gel dispensers, which you can use to sanitise your hands as you come into church.

The best way of protecting us from the spread is still for everyone to use universal good hygiene, which will effectively disrupt the spread of the virus.

We hope that these precautions will be temporary only, and we will return to our normal liturgical practices when the threat of coronavirus will pass away. *Fr Ziggy*

LEGION OF MARY: The Legion of Mary meets on Tuesday at 7.30pm.

HOLY HOUR: Holy Hour for Vocations to the priesthood, religious and consecrated life will be on Wednesday 11th March from 7.45 - 8.45pm in the main church.

STATIONS OF THE CROSS on Sunday at 5.00pm in the main church. Please come and join us in prayer.
